# TO OUR FOODBANK FAMILY

Help for those in need came in leaps and bounds in 2019! Our work is powered by relationships, and this year was another reminder that we can accomplish great things when we work together.

Each year, we set new goals that will surpass the last. This ambition propels us forward as we find new pathways for connecting people, resources and food. Working with our partner agencies, we delivered more than 29 million pounds of food across our 33-county service area - an 8% increase from 2018. Our relationships with local food pantries, schools, shelters, senior centers and other community agencies allowed us to continue providing direct aid to those in need. This network of partners, with their knowledge and proximity to families across our region, is invaluable to our work.

Our volunteer program is another powerful example of how relationships fuel our work. The individuals who donate their time and talents for supporting Foodbank operations, whether that's in the warehouse, throughout the office or at our community events, ensure that our vision is within sight.

This year also marked the beginning of our \$4.1 million Bridging Hope Capital Campaign, a campaign that will fund the construction of a 22,000 sq. ft. packaging and processing center for volunteers at the

Donald W. Reynolds Distribution Center in Little Rock next year. With the new volunteer center, we will be able to accept and process two million more pounds of donated food each year plus quadruple our capacity to engage volunteers. These volunteer hours will save us more than \$800,000 a year.

The staff and board of directors at Arkansas Foodbank continue to be inspired by the generosity our donors and community partners provide each year. Without their financial investment, the 280,000 Arkansans we aim to serve in our region would continue struggling to make ends meet. Nothing can measure our gratitude for your sacrifice on behalf of our hungry neighbors.

We're grateful for another year of support from you — our community. As we manage day-to-day operations to feed hungry people, we continue to keep our eyes on the future. We know that with you by our side, we can continue having a positive impact on the lives of those experiencing hunger in central and southern Arkansas.

# PROVIDING ARKANSANS ACCESS TO FOOD

is what we do best.

Arkansas Foodbank, the largest hunger relief organization in Arkansas, offers innovative programming focused on serving hungry Arkansans with healthy and nutritious food. Programs like Food For Kids, Food For Families and Food For Seniors provide food and other resources for neighbors facing food insecurity.

Through our network of more than 400 food pantries, schools, shelters, senior centers and other community agencies, we're able to directly aid hungry Arkansans.

For a list of our partner agencies, visit [arkansasfoodbank.org](https://arkansasfoodbank.org).

We envision communities that are healthier, happier and more productive through improved nutrition. We work to provide dignity and hope to families, ultimately meeting them where they are, no matter their circumstances.

Because we receive strong support from donors in the community and the food industry, the Foodbank keeps administrative costs low—less than 6 cents on the dollar—and impact high.

# 94%

of Foodbank resources go directly into hunger-relief programming, including food acquisition.

# Special Events & Volunteers

Each year, Arkansas Foodbank invites our supporters to play an active role in our work through different events in the community. With the support of our generous sponsors, our signature events like Empty Bowls, THV11 Summer Cereal Drive, Harvest Night and the KARK/Fox16 Telethon allow us to provide access to food for families in central and south Arkansas. Every dollar donated allows the Foodbank to provide food for five meals. These events are made possible with the help of our volunteers, who donated over 37,000 hours during 2019.
