

SUMMER CEREAL DRIVE

Summer Cereal Drive Playbook for Schools

2024

1 Register

Register your School as a Summer Cereal Drive Team at arkansasfoodbank.org.

You must register your school when signing up for the Summer Cereal Drive. If teachers would like to fundraise as a classroom after your school is registered, you will be able to add each teacher to your school's fundraising page. This enables us to track what your school raises as a team.

Your team will fall into Division 4:

All teams in Divisions 1-5 are eligible to place 1st, 2nd, or 3rd in their division, as well as an overall winner award. Other awards your team can win include:

- **Cheerio! Outstanding New Team:** Awarded to a first-year team that raises the most cereal
- **SnapCrackleNPoppin Award:** Awarded to the team who shows the greatest Summer Cereal Drive spirit and also did not place in their division

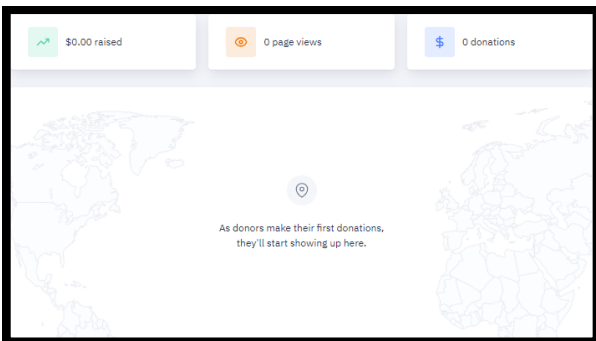

2 Create

Create and customize your school's online fundraising page. Follow the steps below to set up your site.

Step 1: Once you have registered, you will receive a confirmation email with a link to create an online fundraising page. Click on the link in the email and follow the steps below.

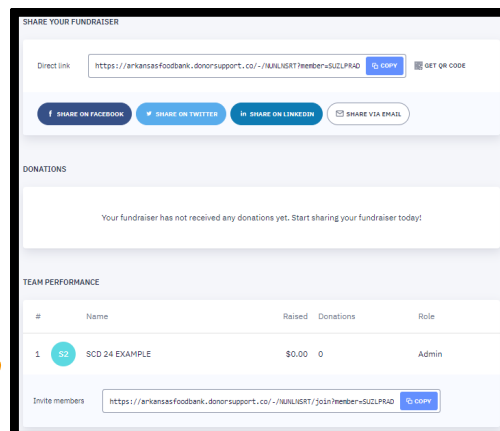

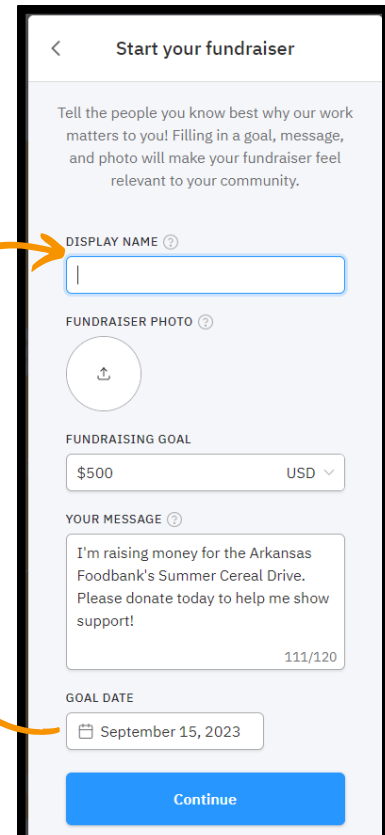

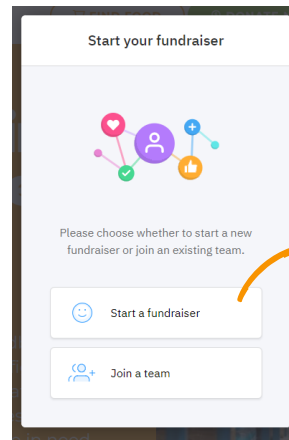

Step 2: As team captain, it is your responsibility to start your team's online fundraising page.

Step 3: Fill out your name, set a fundraising goal, write a message, and choose an end date. Then click continue. Once submitted, you will receive an email with a verification code. Verify your email and you will have completed your fundraising page registration.

Step 4: Add your individual classroom teachers to your fundraising page by copying the "invite members" link and either emailing or texting it to them.

Step 5: Have teachers share this page with students and parents.

3 Promote

One of the most important things you can do to make your team successful is through promotion. Here are some ways to get your school network and community involved with your Summer Cereal Drive team:

Word of Mouth

Tell everyone you know (teachers, co-workers, students, parents, friends, family, group members, etc....) about your cereal drive and how your team is participating. This is the best way to spread the word!

Email

Send an e-mail to everyone in your organization, school, students, parents, family, and friends with a link to your fundraising page. Encourage them to forward along for additional support!

Social Media

Create, post, and send invites out via social media. This can be a great, free marketing resource for your team. Be sure to post tons of pictures, and even videos, of your Summer Cereal Drive Team! Tag Arkansas Foodbank and use hashtags for a chance to be featured on our pages, stories, or Facebook Events!

Facebook: @ArkansasFoodbank

Instagram, X, TikTok and LinkedIn: @ARFoodbank

Extra Things You Can Do

- Download the QR Code from your fundraising page and add it to posters or flyers so donors can access your page with their smartphones.
- Share your fundraising page on social media so people can easily click to donate.
- Thank people who donate either through social media or a thank you note.

4 Collect

Collect lots of cereal and breakfast foods! Below are the items that will qualify toward your total boxes collected for the Summer Cereal Drive:

Breakfast items include: cereal, granola bars, instant oatmeal, toaster pastries, etc.

5 Engage

There are a lot of ways to get your school community engaged with your Summer Cereal Drive Team. Below are some ideas! Get creative!

Cereal Box Dominos

According to Guinness World Records, the longest cereal box domino line was 7,000 boxes. Can your school beat it?

Grade vs Grade

Which grade can raise the most cereal boxes? The grade that raises the most cereal could get a fun day like Flip Flop Friday or Crazy Hair Day.

Pie the Principal

Set a school wide cereal box or donation goal. If the goal is exceeded, the principal gets pied!

Team Bonding

Arkansas Foodbank has many volunteer opportunities available to you and your team! You can sign your team up for a shift in our volunteer warehouse or check out other volunteer opportunities on our website. It is a great way to bond with your team and learn about the Foodbank's mission.

Print and Post

Create a flyer and poster with directions regarding your collection location and dates of your cereal drive. Post copies of the flyers/posters to your network bulletin boards and distribute to your team members to solicit cereal donations throughout the drive.

6 Deliver

You and your team must sign-up for a time to deliver your cereal and monetary donations at any of the Summer Cereal Drive events. Sign up for all delivery slots at arkansasfoodbank.org

- Enter to win this award by posting a photo to social media and tagging THV11 and the Arkansas Foodbank, or emailing the photo to scd@arkansasfoodbank.org.
- The top 5 will be featured in the 2025 Team Playbooks.

FAQ

Q: How do I donate funds?

A: There are three main ways to donate funds. First, you can donate via a team's online donation form. Second, you can make a check out to the Arkansas Foodbank to the care of your team's name; make sure to include Summer Cereal Drive in the memo. Finally, you can visit a community site and drop off funds with Arkansas Foodbank staff members. All money turned in must be accompanied by a donation sheet which can be found at arkansasfoodbank.org.

Q: What counts as a box of cereal?

A: Teams collect nonperishable breakfast items for the Summer Cereal Drive. Breakfast items include cereal, granola bars, instant oatmeal, toaster pastries, etc. Teams are expected to count their boxes before Drop-Off. To calculate boxes, we use the measurement of about 17-18 ounces per box. In general, defer to ounces per box. For cereal, we typically treat the regular boxes and family sizes as one box but double boxes are counted as two. Mini boxes of cereal do not count as one box unless they are part of a pack.

Q: How does \$1.00 = 1 box of cereal?

A: Arkansas Foodbank is a warehouse and distributor of food. At Arkansas Foodbank, cereal is ordered in bulk then hand packed and labeled by volunteers. A box of this hand-packed cereal costs a dollar.

Q: How do pantries get cereal?

A: Each community site and shop&drop site is paired with a community pantry. When the collection is over, the pantries pick the cereal up directly from the stores. They then can start distributing the cereal immediately. When cereal is dropped off at the Arkansas Foodbank, it is added to our online order system. Pantries can order the cereal online, and it is either delivered to them or picked up by pantry representatives.

Q: How does the audit work?

A: You will use the donation drop-off form to track monetary and cereal box donations. When you drop-off your team's donations make sure to bring the donation drop-off accounting sheet with you. Each time you drop-off, you must turn in donation drop-off accounting sheet. When you are done collecting, and you are doing your final drop-off, you must fill out a Final Recap Sheet. The Final Recap Sheet will include every donation you have received, previous drop-off totals, and the total number of boxes raised by your team. This sheet will be used in the Arkansas Foodbank's audit of the Summer Cereal Drive. If there is a discrepancy, a staff member will contact you.

Q: Who is invited to the Breakfast of Champions?

A: After the final-drop off, the Arkansas Foodbank team will audit all donations and cereal. Though every team is invited to the Breakfast of Champions, not everyone wins an award. If your team wins an award, you will receive a notification.

Q: How do I add my teammates to my fundraising page?

A: Once your team fundraising page is set up, scroll down to the bottom where it says "team performance." There you will see a link to invite team members to your page. Copy that link and email or text it to them.
