to **844.381.3663**
and enter your zip code
when prompted to receive
a list of pantries nearby

What to expect on your trip to the food pantry:

**You don't have to
pay for food.**

**How often you can
visit is determined by
each pantry.**

**You may have to fill
out paperwork.**

USDA pantries require a
photo ID, monthly income,
and household size.

Pantry distributions vary;
some are drive-thrus and
others require you to go
inside.
